

Business Insights Report

1. Which region generates the highest sales?

Answer: West Region

Region	Total Sales
West	725,457.82
East	678,781.24
Central	501,239.89
South	391,721.91

Insight

The **West region** contributes the highest sales, accounting for approximately **31.6%** of total sales. This indicates strong customer demand and market performance in the western region.

2. Which category is most profitable?

Category	Total Profit
Technology	145,454.95
Office Supplies	122,490.80
Furniture	18,451.27

Insight

The **Technology** category generates the highest profit, contributing nearly **51%** of the company's total profit. This suggests technology products have better margins and strong customer demand.

3. Are discounts affecting profit?

Discount	Profit
0.0	Highest Profit
0.1–0.2	Moderate Profit
0.3	Profit starts decreasing
0.4–0.8	Mostly Negative Profit

Insight

Yes. Higher discounts significantly reduce profitability.

Orders with **40% or higher discounts** often generate **negative profit**, indicating excessive discounting hurts business performance.

4. Which month performs best?

From your monthly sales analysis:

Month	Sales
November	271,693.75
December	248,765.33
September	248,989.30
March	220,064.65

Insight

November records the highest sales, likely due to festive and holiday shopping seasons.

5. Key Recommendations for Management

Recommendation 1

Continue investing in the **West region**, as it generates the highest sales revenue.

Recommendation 2

Increase focus on the **Technology** category through promotions and inventory planning because it delivers the highest profit.

Recommendation 3

Avoid offering **discounts above 30%**, as they frequently reduce or eliminate profits.

Recommendation 4

Prepare additional inventory and marketing campaigns before **November** to maximize seasonal demand.

Recommendation 5

Improve the profitability of the **Furniture** category by reviewing pricing strategies, supplier costs, or reducing excessive discounts.

Overall Business Summary

- **Highest Sales Region:** West (₹725,457.82)
- **Most Profitable Category:** Technology (₹145,454.95)
- **Best Sales Month:** November (₹271,693.75)
- **Discount Impact:** Higher discounts reduce profitability; discounts above 30% often lead to losses.
- **Overall Profit Margin:** Approximately **12.47%**
